

Design Coaching Feedback Form

[date]

Client Name: _____

My number one priority is to you, my client. It is only through your honest and open feedback that I can continuously improve my services, learn, grow and to be the best coach I can be.

I appreciate you taking the time to fill in this evaluation form and return it to me. Please use it as a guide and feel free to add anything you wish.

What has been the greatest benefit coaching has brought you?

Have any of your initial expectations of the coaching process not been met?

How effective was your coach?

My coach was a model for me on how to achieve.

I trusted my coach completely.

My coach always treated me with respect.

My coach was rigorous and committed to my success.

My coach was on time and present for all sessions.

My coach was available between sessions.

Within a month of starting, I felt confident in my coach.

My coach kept me focused, regardless.

What do you feel your coach's greatest strength is and how has that supported you? What areas do you feel your coach could focus their growth on?

Do you have any comments on the structure of your coaching sessions? i.e. more or less time, frequency, reviews, paperwork, face to face vs telephone.

What do you want most from our future partnership and what would keep this process rewarding?

Any other ideas, insights or suggestions on ways to improve?
